

USTA League Coed 18-39 Format Guidelines

A team match consists of 6 no-ad sets: one set of men's and women's singles, one set of men's and women's doubles, and two sets of mixed doubles. Using two courts, order of play will be:

- Women's and Men's Doubles
 - Women's and Men's Singles
 - Two Mixed Doubles
- A team is comprised of a minimum of at least four (4) players to begin competition, two men and two women. Teams must have at least four (4) players to begin competition, two men and two women. An individual player may play in up to three sets per match. If playing three times, a player may play singles, doubles and mixed doubles. Lineups should be exchanged before each set.
 - Each no-ad set is won by the first team to reach six games. A five-point tiebreaker will be played at five games all in any set. Serve stays in rotation. In Mixed, when serving at deuce or deciding point the serve is gender to gender.
 - The five-point tiebreaker: The person who is to serve next begins the tiebreaker. Each player serves two points in succession starting from the deuce court. The first team (or person) to score five points wins the tiebreaker. If the tiebreaker reaches 4-4, the person who served the eighth point serves the ninth (final) point. The receiver, however, has the choice of sides (except in mixed doubles, where the service must be gender-to-gender). The winner of the ninth point is the winner of the set. Note: The tiebreaker can be won by one point. The tiebreaker counts as one game in overall match scoring. There is no need to change sides during the tiebreaker.
 - At deuce (40-40), the team that wins the next point wins the game. Prior to playing for this point, the receiving player on the receiving team in doubles chooses where to receive serve in the deuce or ad court. In the mixed doubles set, the server serves to the receiver of the same gender.
 - Players on Court - Only players registered on their team roster, which may include a non-playing captain, may be on court during match play. Spectators are not allowed on the court at any time while match play is in progress.
 - Final (end of season) standings will be determined as follows: the team with most games won will be the winner of the flight. If there is a tie in the final standings between two or more teams, the following tie break procedure will apply: (1) Fewest sets lost, (2) Fewest games lost (3) Head to Head. If teams are still tied, then a flip of a coin.
